# ADDENDUM #1

Question:	Are surveying services to be included?								
Answer:	While not part of the qualifications sought here, surveying services are integral to successful and efficied design associated with these types of projects and firms with in-house surveying services should identify such. Those firms without these capabilities should identify any partnerships that would facilitate fficient project delivery.								
Question:	Why is CPL's proposal posted online?								
Answer:	The CPL proposal was posted in error. However, they will function as the city's program manager for the projects in the city's five-year CIP.								
Question:	Can you confirm what types of projects exactly you are looking for?								
Answer:	Attached is a copy of our current CIP, some of the projects in which will require outside design support. Some may represent a joint project with the County and may not require design support under this project/contract solicitation.								
Question:	What is the annual revenue potential?								
Answer:	The CIP should be able to provide an indication of the revenue potential.								
Question:	What is the term of the proposed agreement?								
Answer:	Multi-year, renewable—5 year anticipated duration.								
Question:	How many consultants do you intend to hire to provide these services?								
Answer:	While no fixed number of firms has been determined, it is the intention to award to one if a wide-enough experience base is confirmed.								
Question:	Section I refers to this a unit-price basis contract, but at the top of page 5 it asks for a sealed price proposal. Please confirm you request only our standard Schedule of Hourly Rates at this time.								
Answer:	The price proposal is not going to be required at this time. Below are revised selection criteria:								
	Diversity of Project Type. 20%								

Diversity of Project Type.	20%
Similar Scale Projects.	25%

Staff Experience.	25%
<u>QA/QC-Structure.</u>	20%
Financial Health.	10%
	100%

- Comment: Under "Indemnification" on page 3, please clarify that "defense" can be provided for "general" negligence (under our commercial policy), but not for "professional" negligence under our professional liability policy.
- Answer: Sounds like a legal question and I'm sure that a very thorough legal review can occur prior to contract execution.
- Comment: Reference is made on page 5 to the Construction Agreement, as having precedence over the RFP in case of conflict. Please provide the standard Construction Agreement for review and allow us to provide comments/exceptions (if applicable) with our RFP responses.
- Answer: Construction agreement should be reworded to read Professional Services Agreement and a sample copy is attached.
- Comment: Schedule B (page 9) asks for "(2) copies of the resumes." Please clarify that only one (1) copy is needed.
- Answer: Only (1) copy is required.
- Comment: For Schedule A (page 8), please confirm that the City requests information for key team members (i.e.: Lead Landscape Architect, etc.) as opposed to firm principals.
- Answer: Please provide information as to ownership of the firm at your discretion.
