- Everyone is invited to attend Sugar Hill's monthly Work Sessions and Council Meetings. All meetings for the City of Sugar Hill are being held "temporarily" in the Community Center at 1166 Church Street.
- Your comments, suggestions and support will help make your City a community you are proud to call home.
- Videos of our monthly City Council meetings are shown on Charter Cable, Channel 19, at 8:00 PM, every 3rd, 4th and 5th Monday of each month.
- Agendas and meeting minutes can be found on the Sugar Hill website at: www.cityofsugarhill.com.

New Family Fun Business Opens in Sugar Hill

Mayor and Council were on hand to welcome "Up the River Outfitters" as a new business in Sugar Hill. Up the River Outfitters offers floats down the Chattahoochee River by tube, kayak, or canoe. After the ribbon cutting ceremony, the Mayor and Council enjoyed a float experiencing all of the natural beauty the "hooch" has to offer.

ATTENTION: SUGAR HILL ARTISTS & CRAFTERS!

The 6th Annual Sugar Hill Fall Festival will be held on Saturday, October 21st from 11 AM – 5PM at EE Robinson Park. This year's festival promises to draw a huge crowd and we are expecting to have 100 vendors. If you create original artwork or crafts, we would love to have you join us. This year's festival will include a parade, car show, chili cook-off and a large selection of games for all ages, as well as a wide variety of entertainment. We know there are many talented Sugar Hill residents – please fill out an application for a booth. Applications can be downloaded from our website: www.cityofsugarhill.com/fallfest or you may call the Recreation Dept. at 770-831-7413 with any questions.

Sugar Hill Spraying for Mosquitoes

Each year the City of Sugar Hill dispenses Gwinnett Health Department approved Larvicide tablets in areas of stagnant or standing water to prevent the growth of the mosquito population and reduce exposure to the diseases they transmit. We are in the process of purchasing a portable spraying machine that would allow the City to combat mosquitoes by using a fog spray to apply the insecticide.

Late evenings a City vehicle will drive the streets and spray the insecticide "fog". The fog is sensitive (killed by) sunlight and water. The mosquito spray will accomplish its work over night and the next morning, when the sun comes up, the chemicals are rendered harmless but the process of killing the mosquitoes has taken place.

City of Sugar Hill Considers Dog Park

As part of our Recreation Plan, the City is considering a Dog Park. Please provide feedback if you would be in support of such a park in our community. A Sugar Hill Resident, Jenna Kopp, is taking on this project so please feel free to email your comments to jlkdirb@bellsouth.net, or write her a letter at 5165 Arbor View Way, Sugar Hill, GA, 30518. She is also looking for *volunteers* for a "Core Group" of committed dog owners/lovers to assist in moving this plan to the next level.
