

Plaza Security On Duty!

The City of Sugar Hill has entered into a contract with Plaza Security LLC to provide extra patrols for the City. Their presence will be as a deterrent to potential crimes enacted in our City. The City has been tracking areas of various infractions that have occurred and we will share this data with Plaza, and Gwinnett County. We want to involve the citizens of Sugar Hill in the effort to have a safe environment. Plaza will be available to speak with Home Owners Associations, to introduce themselves, and discuss ways they may provide additional security. Call City Hall (770)-945-6716 to schedule a meeting. Plaza has been providing security for the Evermore CID and they come highly recommended.

They have made several presentations to our Mayor and City Council as to how their personnel and vehicles are tracked in real time, and ways to highlight areas for enforcement. The City will still pursue a Marshall program that will have actual police arrest powers.

The City of Sugar Hill is pleased to welcome Peoples Bank & Trust to our community. They are located at 255 Peachtree Industrial Blvd. Peoples Bank was established in 1984 in Buford by several local businessmen. They now have four branches locally and one in Lawrenceville. "Community focus" is their slogan said V.P. Todd Adams. (pictured)
