

City Fireworks a Huge Success!

The 4th Annual “Sparks in the Park” was the largest attended fireworks festival so far. The huge crowd was entertained by the group “The Return” a Beatles tribute band that did a remarkable job of recreating the Beatles sound. The moonwalks were packed and the food booths had steady lines all evening. But the real treat was the incredible fireworks display! For twenty minutes the sky was lit up and the finale was awesome. Thanks to Andy, Darcee & Sam from our Recreation Dept. and the many volunteers from the Family Church and Up the River Outfitters for helping and transporting festival attendees.
