

Sparks in the Park-July 3rd!

Come join the festivities on July 3rd for a fun filled evening of fireworks and music with a movie to cap off the night. E. E. Robinson Park is the venue and you better get there early! "The Return" (a Beatles tribute band) will play at 6:30pm. At 9:30 we will play the National Anthem, then at 9:45 the largest and best fireworks display in Gwinnett County will light up the sky! After the fireworks we'll catch our breath and watch "Kung Fu Panda". There will be moon walk rides for kids and food concessions available all evening. E. E. Robinson Park is located on Level Creek Road south of Sugar Hill Elementary. Transportation from The Family Church parking lots provided by Up The River Outfitters, will run buses from 6:15pm until midnight. Parking is available at the elementary school, the Buice School and at City Hall.

Citizen Input: The New Sugar Hill City Hall

In the March Issue of the Sentinel we spoke of the new "downtown" Master Plan. A major part of the plan is the new City Hall. The City Hall will be located at the corner of Temple Drive and West Broad St. We have started to address the space requirements for the building and to build in capacity for the future growth of the City. The design for a retention pond for West Broad St. has determined the position for the City Hall, now we need to gain citizen input as to the appearance of **your** City Hall. We plan on several meetings to listen to comments and suggestions. We'll have sketches and photos and pads to draw on. The first meeting will be June 24th in the Sugar Hill Recreation Center 1166 Church Street from 6-8pm. Refreshments will be served. We will also have a booth at "Sparks in the Park" July 3rd for citizen input.
