City Hall Architects Selected

The Architectural firm Precision Planning Inc. was the unanimous choice of the Sugar Hill City Council at their Monday Council Meeting. “We have had a long standing relationship with PPI” was the sentiment expressed by Council members. They thanked the other finalist firm Pieper O’Brien Herr for their fine presentation, and felt that the five firms reviewed were all very capable. PPI will meet with the Mayor and Council to develop the look and placement of the new City Hall.

Business Spotlight: Southern Cycle Celebrates 35 Years!

One of the oldest businesses in Sugar Hill is celebrating 35 years of building and repairing Harley Davidson motorcycles. From ground up customs, to basic maintenance, with over 100 years of combined experience, they take pride in their work in the spotless shop. Store owner John Cheek had the motorcycle bug at age 9, and never stopped. Started as a hobby, the business grew to now one of the most respected HD shops in the state. Stop by and check out John’s personal collection of classic Harleys on display. Construction Watch:

The Sugar Hill Golf Clubhouse is looking great, with the commercial kitchen almost complete. The Community Garden in Gary Pirkle Park features a new barn that was constructed by Sugar Hill employees. They also built the grape arbors next to the barn. An irrigation system is being installed along with raised planting beds and walkways.
