Getting to Know: The City of Sugar Hill Parks and Recreation Department The City Parks and Recreation Department began in 2002 and has since tripled in size over the past ten years. Seven employees are responsible for managing and maintaining approximately 120 acres of land at our two parks - E.E. Robinson Park and Gary Pirkle Park, which host more than 1,000 youth athletes' annually for football, soccer, baseball, softball and lacrosse. The department is responsible for the 18-hole Sugar Hill Golf Course – a pristine and challenging course located off Suwanee Dam Road/Hwy 20 featuring a driving range, grill, meeting facilities, and vista views that are second to none. In addition to athletics, the recreation department holds eleven city wide events including the ever popular Easter Egg Hunt, Touch A Truck, the “Reels at Robinson” movie series, the July 3rd Celebration and the Fall Festival. A new community garden has opened for those interested in gardening with many educational opportunities to be had throughout the year. Our Community Center houses many youth and adult programs annually and is a rental facility holding up to 190 guests.
