Construction Watch: City Hall

During the last several weeks the final shape of the new City Hall has been revealed. The clock cupola was lifted into position by a huge crane and Mayor Pirkle assisted in installing the spire at the top of the dome. The columns at the entrance were installed and are awaiting paint. The aerial view shows the amphitheater and pond behind.

News Bites:

- The North Gwinnett Co-Op** food supply is critically low! In addition to your donations they are asking you to please host a food drive in your church, neighborhood, school or office to help take care of our families in need. This time of year is always a struggle to keep food on the Co-Op's shelves and they need each of you to step up and help take care of those less fortunate. Their impending food needs are: peanut butter, jelly, soups, pasta, rice, cereals, canned fruits and vegetables, boxed meals, can of spaghetti sauce....anything that comes in a box, can or bag! The City collects food year round at City Hall & the Recreation Center. Thank you in advance for your support!
