Downtown Master Plan

Sugar Hill is a growing vital community within Gwinnett County and its leaders are focused on the residents and want to be a part of creating a Main Street feeling in which the whole community can come and enjoy their city. The Officials of Sugar Hill are working with a local firm to create and develop a "Downtown Master Plan". This is a multi-level project encompassing the area surrounding the renovated City Hall, Town Green and Community Center.

During our City's Fall Festival on October 23rd, we will have a booth set up in which we will be handing out a questionnaire/survey so that each citizen can offer their input into what they would like to include and support (i.e. coffee house, office, restaurants, etc). Please stop by and offer your input. Your opinion does matter! This is your "City."

History of Sugar Hill

The Mayor and Council of Sugar Hill are requesting the donation of any memorabilia that you would like to contribute to display in our City Hall Annex. We are looking for pictures of old buildings, past festivals, information from the old volunteer fire department, etc. Thank you in advance for your contributions!

Your feedback is important! Please submit your comments to: News@cityofsugarhill.com
