## City of Sugar Hill C.A.R.E.S.

Sugar Hill citizens may now alert City Departments of various concerns, complaints, or information requests through Sugar Hill C.A.R.E.S., a dynamic, web-based citizen relationship management tool.

Citizens may visit the City's website at [www.cityofsugarhill.com](http://www.cityofsugarhill.com), to place non-emergency requests from anywhere there is internet access, 24 hours a day. Each entry is automatically assigned an id number and instantly routed via e-mail to the department responsible for handling the request. Once issues are resolved, the citizens are automatically notified of the outcome.

Currently, you may submit Planning and Development related information requests, code violations, and other code enforcement type complaints. We will continue to add new service request types to this system, so be sure to visit the City website often.

## 2007 Budget / Level Billing Program

Even out the highs and lows in your monthly gas bill by enrolling in our Budget / Level Billing program. This allows you to budget a specific amount every month. To make things even more convenient, you can set-up our FREE Automatic Payment Service (APS) at the same time, which will draft your checking account for the payment each month, saving you the time and hassle of writing a check, finding a stamp, and mailing the bill every month.

To participate in the 2007 Budget / Level Billing Program, Sugar Hill Gas Customers must have a good payment record and at least 12-months of gas usage history. For more information about these program offerings, please visit the City website at [www.cityofsugarhill.com](http://www.cityofsugarhill.com), or call City Hall at (770) 945-6716, to speak with our Customer Care Team.
