- The following actions are specific significant actions taken during normal patrols throughout the City. Plaza Security patrols the City on a daily basis and any criminal act is forwarded immediately to the Gwinnett County Police Department. - 12-30-16- Officer made routine patrols of both residential and business locations, and additional patrols of P.O.A.P.'s for suspicious /and or illegal activity/is. While patrolling in the rear of The Sugar Hill Station, at approximately 22:30 hours the Officer encountered a subject rummaging through the dumpster behind the Value Village. The Officer made contact with the subject and inquired what he was doing? The subject advised that he had permission from one of the business's employees to obtain items from the dumpster as long as he didn't make a mess. The Officer advised the subject that he was trespassing and that the Owner of the business forbade any removal of items from the dumpster. The Officer then inquired if the subject had any written documentation authorizing his actions of removing items from the dumpster? The subject advised no. The Officer then advised the subject to return all items to the dumpster and clean up the area. After this was completed the Officer advised the subject to leave the premises and not return or GCPD would be called for further action. The subject left without any incident.
