- The following actions are specific significant actions taken during normal patrols throughout the City. Plaza Security patrols the City on a daily basis and any criminal act is forwarded immediately to the Gwinnett County Police Department. Plaza Security acts as additional eyes and ears for the City and provides assistance when needed; however, they are not a police agency.
- 02-17-17- The Officer preformed routine patrols of both residential and business properties in an attempt to observe and/or deter illegal activities. Included in these patrols were the P.O.A.P.'s. The Officer while patrolling behind the businesses located at The Sugar Hill Station Shopping Center observed a suspicious person. The subject was behind the Value Village and was rummaging through the dumpster. The Officer made contact with the subject who stated that he had permission to go through the dumpster as long as he did not leave a mess. The Officer requested written authorization from a representative of Value Village giving permission to conduct this activity. The subject was unable to provide the requested documentation, but said he had the store Manager's cell number. The Officer requested that the subject call the Manager and have him meet at the dumpster. The subject complied and after a few minutes the Manager emerged from a rear door of the business. The Manger confirmed the subject's statement and the Officer went back in service. The Officer did not observe any other issues nor was the Officer informed of any other activities or incidents.

As the Officer continued his patrol he observed the same subject behind the Value Village going through the dumpster.
