SUBJECT: Intergovernmental Agreement
SPLOST Joint Transportation Projects

RECOMMENDED ACTION

Approve the Agreement with Gwinnett County for administration of joint transportation projects.

BUDGET IMPACT

There are no additional budget impacts that haven't been considered in previous action associated with the SPLOST program.

DISCUSSION

Attached is the proposed Intergovernmental Agreement with Gwinnett County describing the administration of the joint transportation SPLOST projects. The projects are outlined in the agreement and include provisions for the financial arrangement associated with reimbursement including apportionment of project costs. The project costs, according to the original SPLOST agreement will be apportioned according to population-based in the county with Sugar Hill representing 19% of the total cost and the county picking up the remaining 81%.

The projects represented include sidewalk work, greenway segments, along with road construction.
