Dear Ms. Walcott:

Enclosed with this letter are the documents necessary to request project funding for our 2019 resurfacing projects in Sugar Hill under the Department's LMIG program. The documents include the application form and the project list required for your response.

Our project proposes to provide pavement repairs, patching, seal-coating, resurfacing, and striping on 11 local roads for 2019. LMIG, SPLOST and city general funds will be the sources of revenue to complete these improvements. The city is preparing contractor Bid documents for the 2018 road program.

Thank you in advance for your consideration and please contact Troy Besseche, our Assistant City Manager, at the number below if he can answer any questions about the scope of work for 2019.

Sincerely,
