

# THE VISION

Sugar Hill is a vibrant place where people create and experience community. Neighborhoods are inter-connected and accessible to a wide variety of cultural, recreation, entertainment, dining and shopping resources. Entrepreneurship is promoted and business owners are confident to invest and grow. Small town values and security are embraced. Gathering places and recreation opportunities enhance our sense of community. Public art, civic pride, cultural diversity and economic vitality are celebrated.

**I Vote YES for this  
Vision:**
