Subject: Amendment to Preservation Society By-Laws

Jane, Paul, and Steve,

I would like to, if possible, put this on the agenda for our January meetings. I do have additional appointments in mind to fill out the Board expansion language in the amendment, but would like to do that in February. The amendment language is below.

~~~~~

Amendment to:

Ordinance creating the City of Sugar Hill Historic Preservation Society and to further provide for membership, tasks and responsibilities, and other administrative functions, and other general provisions; and other purposes (originally adopted on January 12, 2015 and amended on November 13, 2017) (Page 2)

Section 3. Membership. The Preservation Society shall be made up of ~~eleven (11)~~ thirteen (13) members, appointed in accordance with the Sugar Hill City Charter. The City Council may, at its discretion, conduct interviews of proposed Preservation Society members prior to appointment. Preservation Society members shall be appointed for two-year terms. Members shall serve length of term of term or until their successor is named and qualified. Members shall be citizens of Sugar Hill, affiliated with a business located in Sugar Hill, or serve as one (1) of ~~two (2)~~ four (4) at large positions which do no require Sugar Hill residency. In addition, a City Council member will also be encouraged to serve as a member of the Preservation Society.

Best regards,  
Brandon S. Hembree  
Council Member (Post 1)  
City of Sugar Hill
