ORDINANCE

The Council of the City of Sugar Hill hereby ordains that the 2000 Zoning Ordinance of the City of Sugar Hill, Georgia shall be amended as follows:

By adding the following definitions to Article 3. Definitions, which shall be inserted within existing definitions in proper alphabetical order and shall read as follows:

Cannabidiol: Shall mean a phytocannabinoid derived from the hemp plant which does not exceed the federally defined THC level for hemp, and which is devoid of psychoactive activity.

Cannabidiol store: Shall mean any premises used for the display, sale, distribution, delivery, offering, furnishing or marketing of cannabidiol or cannabidiol related products.

Cannabidiol-related products: Means any product in cream, oil, liquid, capsule, gummy, gel, balm, or any other form containing cannabidiol which is intended for human or animal consumption or topical application. Including any paraphernalia, equipment, device, or instrument that is primarily designed or manufactured for the smoking, chewing, absorbing, dissolving, inhaling, snorting, sniffing, or ingesting by any other means into the body of cannabidiol or cannabidiol-related products such as pipes, punctured metal bowls, bongs, water bongs, electric pipes, e-cigarettes, e-cigarette juice, buzz bombs, vaporizers, hookahs, and devices for holding burning material.

Tobacco store: Shall mean any premises used for the display, sale, distribution, delivery, offering, furnishing or marketing of tobacco or tobacco related products.

Tobacco-related products: Means any product in leaf, flake, plug, liquid, or any other form, containing nicotine derived from the tobacco plant, or otherwise derived, which is intended to enable human consumption of the tobacco or nicotine in the product. Including any paraphernalia, equipment, device, or instrument that is primarily designed or manufactured for the smoking, chewing, absorbing, dissolving, inhaling, snorting, sniffing, or ingesting by any other means into the body of tobacco or tobacco-related products such as pipes, punctured metal bowls, bongs, water bongs, electric pipes, e-cigarettes, e-cigarette juice, buzz bombs, vaporizers, hookahs, and devices for holding burning material. The term "tobacco-related product" exclude any product that has been specifically approved by the United States Food and Drug Administration (FDA) for sale as a tobacco/smoking cessation product or for other medical purposes, where such product is marketed and sold solely for such an approved purpose. Lighters and matches shall be excluded from the definition of tobacco-related products.

Vape store: Means any premises used for the display, sale, distribution, delivery, offering, furnishing, or marketing of vape, or vape-related products.

Vape or vape juice: Means any substance that contains compounds containing pharmaceutical grade vegetable glycerin, propylene glycol, nicotine, food-grade flavoring and water, and can be used to deliver nicotine, cannabidiol, synthetics or other substances to a person inhaling from the device.

Vape-related products: Means any product or device that employs an electronic heating element, power source, electronic circuit, battery, or other electronic, chemical, or mechanical means to produce a vapor that delivers nicotine, synthetics, or other substances to a person inhaling from the device, including electronic cigarettes, electronic cigars, electronic hookahs, electronic bongs, electronic pipes, vape, vape juice and similar products or devices, whether manufactured, distributed, marketed, or sold as such.
