Walk through the Eagle

- Troy Besseche takes the council on a newly developed tour of the E-Center. They walk through the Eagle, the gymnasium, and the restaurants.

Community Resource Summary by Jennifer Diaz

- Ms. Jennifer Diaz, a 6th grade counselor at Lanier Middle School, spoke to the council about Community Asset/ Cultural Resource Mapping.
- The goal of this mapping is to acknowledge different cultures so we can highlight and offer resources to them.
- Community Asset Maps can show how each individual can offer services to other people living in Sugar Hill and map it all together to provide everyone resources.
- The primary goal is to maximize the resources Sugar Hill has.
- Ms. Diaz wants the Youth Council to take on this project.
- The Youth Council plans to take a different approach to this mission and offer information about services that relate to the primarily to the youth. The goal is to bring all this information together in one place.
- An idea the Council has is to make an ongoing commitment to take this project on.

This Year's Plan

- Laura Ann Acker briefly overviews plans for the Youth Council's events for the year of 2018-2019.
- Camryn wants the Youth Council to not just focus on the Council on Wednesday's, but to think about it every day. She emphasizes the importance of coming to meetings with more knowledge and preparation.

Camden motions to adjourn the meeting at 7:03 pm and Daniel seconds the motion.
