Youth Council Answers - Dixit Style

- Mike made a game from two of the questions in the Youth Council Application:
 - The City of Sugar Hill has grown and changed significantly in recent years. What element of development or change is most meaningful to you? Why?
 - If you could travel to any time period in history, where would you go? Why this time period?
- Back in September, Mike had asked each of last year's members to answer these two questions as well.
- Mike handed out two sets of sheets, one with the first question's answers, the other with the second question's answers. Each person was to match the name with one of the 9 answers. Points were awarded for correct guesses and bonus points if your answer was identified by 2-5 people, not including the person or Mike.
- Khushi would like to see something like this next year.

October Work/Council Session agenda - moved to next week.

Milen motions to adjourn, Bailey seconds. Motion was unanimous.
