# Photo Scavenger Hunt Planning

- week-long event
- landmarks: check POI doc
  - Under Suite Spot, add a pic with the mural outside as well.
  - ~15 locations good number?
- Council was interested in adding a Q&A component to the submission form; at each location, set up a "fun fact" style sign and have participants read through the info and

- answer a relevant question on the submission form. (to ensure that the experience is truly interactive instead of just snapping photos)
- Form Submission: Would we be able to integrate it into the city website (like the YC apps)? Or should we use an external service (Google Forms, etc.)?
- Target Audience: We decided to open the event to everyone. Would we need a specific focus group?
- Final POI Listing, Photo Release, Marketing Strategy, Prizes: reach out to city via Mercy (email)
