Council Reports:

- Camryn attended the March for Our Lives in Athens, Georgia, while participating in the State Science and Engineering Fair.
- Kaan turned 19 over the weekend
- Ethan met with the Historical Preservation Society, who have agreed to collaborate with us on Georgia Cities Week.
- Spencer went to the March for Our Lives in Atlanta, meeting with campaigning congressional representatives and hearing from amazing and compelling speakers, noting it as historic.
- Varessa invited the Youth Council to an event this weekend for a reception at 6:00 and then a play at 8:00. They will be free of charge to the council members.

Youth Voting Event

- Midterms are approaching on May 22, and Spencer asked the council to invest time in brainstorming how to get youth involved.
- Need to show teens how to vote, how to know if they *can* vote, and then ensure that they make it to the polls on election day.
- The council would like to “meme” teen voting to get the idea in the head of our peers.

Georgia Cities Week

- Need more flyers! Camryn is the only one who has made a flyer.
- After success surrounding SHHPS coordination, the council should aggregate scripts from the characters to judge timing, as well as invite the volunteers to a dry run the week before Georgia Cities Week. We will also try to incorporate the panning for gold into one of the actor's stations.

Leadership Podcast Discussion

- The Council discussed the ten talking points of being a good leader, and their various merits/applications.

At 7:04, Spencer motioned to table all remaining actions. The vote was unanimous.
