#### Council Reports

- School has finished today, May 23rd, and graduation is tomorrow, May 24th.
- Spencer got another job out in California over the summer.
- Ethan is getting his motorcycle license this weekend.

#### Essays/Presentations

- Bhaumi talked about her unique exposures via the program, her dreams for the ambassadors program, and the way Youth Council allows exploration of otherwise unusual topics.
- Ethan discussed the skills and understandings acquired by council members through the program, his personal values of each aspect of the council experience, and the priority of establishing a distinction between Youth Council and Youth Ambassadors.
- Kaan discussed the Youth Council exposure gained by the program through our various events, the depth of our conversations especially when compared to years previous, interactions between neighboring Youth Councils, the influence of the council on the community, the skills acquired through the program, the problems currently facing the council, and potential to rectify those problems.

At 7:34, Kaan motioned to adjourn the meeting, and Camryn seconded the motion.
