

Located in the heart of Sugar Hill, The Suite Spot offers flexible membership options ranging from co-working to dedicated office space. Guided by The Sugar Hill Downtown Development Authority, the incubator serves a rapidly growing business environment. The Suite Spot's goal is to cultivate collaborative and engaged small business development while promoting professional growth within the entrepreneurial community, serving as a launchpad for local businesses.

Co-Work

The co-working space features an open floor plan with plenty of comfortable seating and ample lighting. This is the most flexible of memberships and is tied to an individual person. The co-work membership includes 24/7 access to the building, wifi access, use of conference and meeting rooms.

- Month-to-Month
- \$75 per month

Premium

Premium membership offers a dedicated workspace at a desk on the 2nd floor and includes all co-working member benefits, additional privacy and security, designated file storage, separate building access, and a physical mailing address.

- 3-month User Agreement
- \$150 per month

Office

An office tenancy in a private office suite includes separate secure building access, a physical mailing address, connections to meaningful resources, and opportunities to engage in educational experiences.

- 6-month Lease Agreement
- Prices start at \$230 per month
