

## CONTACT UPDATE

**RFP 22-007**

A change has been made to the contact information for this project. Plans are available from the principal design professional at Precision Planning, Inc. at the address and contact information below:

Natalie Pifer

861np@ppi.us

770-338-8120

Please do not contact Kent Snyder. He is no longer working on this project.

This will also be included in an addendum after the pre proposal meeting.
