2022 BUDGET BILLING PROGRAM

RENEWAL / OPEN SEASON

The City of Sugar Hill offers an innovative program that allows you to have a level amount in your monthly gas utility bill. By averaging your bill and flattening out the peaks, as well as the valleys, you are able to achieve a consistent bill for your gas utility services. This convenient program lets you pay the same amount each month. You can pair the Budget Billing program with an automated payment option - Automatic Payment Service (APS) – and reduce your monthly bill paying to a simple, single entry into your checkbook. An Automatic Payments Enrollment Form can be picked up at City Hall or downloaded off of the City's website. www.cityofsugarhill.com. We will continue to read your meters as usual and you will receive information on your actual usage so you will know how much gas you are using.

HERE'S HOW THE BUDGET BILLING PROGRAM WORKS

1. Multiply total consumption for the twelve previous months, times the estimated cost of natural gas + monthly Service Fee + Taxes = Estimated total annual cost of gas/service.
2. Estimated total cost divided by 12 = monthly invoice amount.

RESIDENTIAL EXAMPLE OF THE PROGRAM: ANNUAL BILL = \$1106.64 DIVIDED BY 12 MONTHS = \$92.22 MONTHLY

COMMERCIAL EXAMPLE OF THE PROGRAM: ANNUAL BILL = \$1335.60 DIVIDED BY 12 MONTHS = \$111.30 MONTHLY
