II DISCUSSION

II.a 2022 Goals

- a.i Holbrook – Connect Katrina for potential art classes. Keep them in loop on new exhibitions for guided tours.
- a.ii Arts Commission Publicity – Facebook account – create or keep up to date.
- a.iii Website – Push to May meeting because Nicole unavailable. Marc – update board member term (2yr, currently just roll over), and update minutes on city site (Chandra to get with Nicole).
- a.iv Local Artists Publication – Artist directory (Greenville). Nicole met w/ economic development. Chandra – call for artists.

- a.v Art Crawl - ~\$2K for minibus, budget for vinyl banner for bus (stickersbanners.com via Marc), bus stop signage, punch cards, etc. Get Waze travel time estimates for potential Saturdays (8/20, 8/27, 9/10, 9/17). Volunteers for 2hr shifts on bus to count riders for future planning? Punch cards w/ vendor ads (multi-layouts or maybe individual vendor cards instead of punch cards?) for \$5/\$10 credits? (picked up at each city's designated area [our gallery]). Determine approach for vendor buy in.
- a.vi [addendum] Marc - City lawyers exploring 501-C to enable arts fundraising with official funds accounting
- a.vii [addendum] Marc - Zoning – city council moving to get developers to either install public art they approve, or contribute \$5-25K toward public art, with city manager approval (arts commission as advisor). Chandra to ask Duluth about their Call for Artists for their roundabout sculpture.
