

DATE: February 1, 2023
TO: Mayor and City Council
FROM: Assistant City Manager
SUBJECT: Intergovernmental Agreement - Gwinnett
LCI Greenway Project

RECOMMENDED ACTION

Approve the termination of the Intergovernmental Agreement with Gwinnett County to serve as the City's certified representative and sponsor for the LCI Greenway Project.

BUDGET IMPACT

The services associated with the agreement resulted in no additional cost to the city.

DISCUSSION

The City recently received notice that the certification by GDOT for the locally-administered project (LAP) program was complete and we are ready to move forward with the LCI project as the project sponsor.

The County was instrumental in keeping the project moving forward and we are grateful to them for assistance in administering the early stages of contract administration. With the LAP approval formalized, we are ready to terminate the IGA with Gwinnett and proceed with our project independently.

Staff recommends approval of the termination document and to authorize the Mayor to sign for the City.
