

City of Sugar Hill
Planning Staff Report
RZ 25-004

DATE: May 14, 2025
TO: Planning Commission
FROM: Planning Department
SUBJECT: Change In Conditions
1100 Old Cumming Road; R7306 051 & 289

ISSUE The City of Sugar Hill has received an application, dated April 11, 2025, from Sinh Bui requesting to change the conditions of zoning for the Sycamore Square project. The property was previously approved with conditions on August 13, 2020.

RECOMMENDED ACTION

Recommend approval of the change in conditions as follows (changes in strikethrough and bold):

1. These conditions shall replace and supersede all prior stipulations and conditions, including all prior zoning actions, variances, and special use permits that are currently in place on the subject property.
2. Site development plan for 2.94 acre commercial tract shall not contain more than 152 parking spaces.
3. The following uses are prohibited:
 - a. Psychic reading,
 - b. Fortune telling,
 - c. Astrology,
 - d. Phrenology,
 - e. Palmistry,
 - f. Clairvoyance or related commercial practices.
4. All dwelling units shall be set up as condominiums. No more than 10% of the total number of dwelling units are allowed to be leased at any one time. Notice shall be recorded with the covenants and enforced by the property owners association.
5. ~~At least 80% of the occupied units shall be occupied by at least one person who is 55 years of age or older. Notice shall be recorded with the covenants and enforced by the property owners association.~~
6. Developer must provide enhanced pedestrian crossings, protected left turn signals and decorative mast arms at Highway 20 (subject to coordination with City of Sugar Hill, Gwinnett Department of Transportation and Georgia Department of Transportation) and Sycamore Road. The developer may execute a performance agreement accompanied by sufficient surety to cover the cost of construction prior to receiving certificate of occupancy for residential building(s).
7. Developer must provide an enhanced pedestrian crossing on Sycamore Road prior to receiving a building permit for residential building(s).
8. Total number of parking spaces on all tracts shall not exceed 420 spaces.
9. Developer shall provide written notification to the school board to include number of units, type of housing, number of bedrooms, and phasing of the project.
10. Interparcel access is required from the subject property to the Citgo property parcel # (R7306-102).

11. Applicant shall provide at least two internal (2) pedestrian access points between the commercial component and residential component of the master development.

DISCUSSION

- The subject parcels are located on the northwest corner of the intersection of Highway 20 and Sycamore Road. The property was included in the CBD and rezoned to BG pursuant to RZ-20-002.
- The subject site totals 8.15 acres. The proposed development as currently approved consists of a mixed use center including a grocery store, several retail and office structures, and 120 age-restricted condominiums.
- The applicant has stated that due to changing market conditions, they would like to move forward with an alternative residential plan for the Sycamore Square project. This would include:
 - 41 attached single-family residences and 9 zero lot line detached single-family residences, for a total of 50. This is a proposed decrease in density from 120 units.
 - Removing the age restriction requirement in order to sell to clients from all backgrounds.
 - Three and two story homes as opposed to a four-story condominium structure.
- The applicant has provided sample images of the proposed residences. These are not final and will be subject to a design review application and approval by City Council.
- The residential component will cover approximately 4.5 acres of the master development, located on the northern half of the property.
- Access to the project will be provided by a full-access street on to Sycamore Road. No vehicular connection with the master development is proposed.

BACKGROUND

Applicant/Owner: Sinh Bui/Franklin Investment Group LLC

Existing Zoning: BG CBD

Request(s): Change in Conditions

Purpose: Change the conditions of zoning for previously approved case number RZ-20-002.

Property Size: ± 8.15 acres

Location: 1100 Old Cumming Road

Tax parcels: R7306 051 & 289

Public Notice: Letters to adjoining owners via USPS regular mail on 3-21-25

Sign posted at 5243 Sycamore Road on 3-21-25

Ad in legal section of Gwinnett Daily Post on 3-23-25 and 4-6-25

Public Comments: None as of 5/8/25.

FINDINGS OF FACT

Surrounding Land Use and Zoning

Direction	Existing Land Use	Existing Zoning
North	Single-family residences	RS-100
South	Vacant	BG
East	Single-family residences	HM1, RS-100
West	Auto Collision Center	OI, HM1

City of Sugar Hill: Medium Density Single-Family Residential (RS100), General Business (BG), Heavy Manufacturing (HM1), Office Institutional (OI)

ZONING ANALYSIS

1. Will the rezoning requested permit a use that is suitable in view of the use and development of adjacent and nearby property?

Yes, change in conditions only.

2. Will the rezoning requested adversely affect the existing use or usability of adjacent or nearby properties?

No, change in conditions only.

3. Does the property for which the rezoning is requested have a reasonable economic use as currently zoned?

Yes, change in conditions only.

4. Will the rezoning requested create an overcrowding condition with respect to the existing streets, transportation facilities, or schools?

No, change in conditions only.

5. Does the rezoning requested conform to the Sugar Hill Land Use Plan?

Yes, change in conditions only.

6. Are there other existing or changing conditions affecting the use and development of the property which would give support to an approval or disapproval of the rezoning request?

No, change in conditions only.

'SYCAMORE SQUARE' – APPLICATION FOR CHANGE IN CONDITIONS

LEGAL DESCRIPTION

ALL THAT TRACT OR PARCEL OF LAND lying and being in Land Lot 306 of the 7th District, City of Sugar Hill, Gwinnett County, Georgia and being more particularly described as follows:

Beginning at a right of way monument found at the intersection of the westerly Right of Way Line of Sycamore Road and the northwesterly mitered Right of Way Line of Sycamore Road which is the true point of beginning.

Thence leaving said intersection and following along said northwesterly mitered Right of Way Line of Sycamore Road South 37 degrees 41 minutes 30 seconds West a distance of 53.76 feet to a #4 rebar set at the intersection of the northwesterly mitered Right of Way Line of Sycamore Road and the northerly Right of Way Line of Georgia Highway 20 (A/K/A Nelson Brogdon Boulevard & Cumming Highway, Public, Variable R/W); thence leaving said intersection and following along said northerly Right of Way Line of Georgia Highway 20 North 88 degrees 05 minutes 14 seconds West a distance of 349.70 feet to a #4 rebar set; thence leaving said northerly Right of Way Line of Georgia Highway 20 North 05 degrees 19 minutes 43 seconds East a distance of 150.61 feet to a #5 open top pipe found; thence North 88 degrees 47 minutes 31 seconds West a distance of 100.15 feet to a #5 open top pipe found; thence South 05 degrees 22 minutes 59 seconds West a distance of 149.39 feet to a #4 rebar set on said northerly Right of Way Line of Georgia Highway 20; thence following along said northerly Right of Way Line of Georgia Highway 20 North 88 degrees 05 minutes 14 seconds West a distance of 7.50 feet to a #4 rebar set at the intersection of the northerly Right of Way Line of Georgia Highway 20 and the northeasterly Right of Way Line of Old Cumming Road (Public, Not Open, Variable R/W); thence leaving said northerly Right of Way Line of Georgia Highway 20 and following along said northeasterly Right of Way Line of Old Cumming Road with a curve turning to the left with an arc length of 224.54 feet, with a radius of 2252.43 feet, with a chord bearing of North 69 degrees 31 minutes 37 seconds West, with a chord length of 224.45 feet to a #4 rebar set; thence leaving said northeasterly Right of Way Line of Old Cumming Road North 59 degrees 21 minutes 50 seconds East a distance of 142.44 feet to a #6 open top pipe found; thence North 46 degrees 22 minutes 41 seconds West a distance of 196.54 feet to a #4 open top pipe found; thence North 46 degrees 38 minutes 06 seconds West a distance of 108.42 feet to a #5 open top pipe found disturbed; thence North 29 degrees 30 minutes 35 seconds East a distance of 349.62 feet to a #4 open top pipe found; thence South 86 degrees 28 minutes 35 seconds East a distance of 106.89 feet to a 1" solid rod found; thence North 63 degrees 12 minutes 06 seconds East a distance of 404.73 feet to a point being 0.8' northeast of a #4 rebar found and used for line on the westerly Right of Way Line of Sycamore Road (Public, Variable R/W); thence following along said westerly Right of Way Line of Sycamore Road the following courses: with a curve turning to the right with an arc length of 442.42 feet, with a radius of 609.67 feet, with a chord bearing of

South 19 degrees 36 minutes 51 seconds East, with a chord length of 432.78 feet to point; thence South 01 degrees 10 minutes 30 seconds West a distance of 158.52 feet to a point; thence South 04 degrees 35 minutes 51 seconds West a distance of 55.22 feet to a point; thence South 03 degrees 35 minutes 10 seconds West a distance of 69.42 feet to a point; thence South 15 degrees 55 minutes 44 seconds East a distance of 6.66 feet to a right of way monument found; thence with a curve turning to the left with an arc length of 108.45 feet, with a radius of 680.00 feet, with a chord bearing of South 11 degrees 02 minutes 39 seconds East, with a chord length of 108.33 feet to a right of way monument found; thence South 14 degrees 41 minutes 34 seconds East a distance of 11.18 feet to a right of way monument found at the intersection of the westerly Right of Way Line of Sycamore Road and the northwesterly mitered Right of Way Line of Sycamore Road which is the true point of beginning.

LESS AND EXCEPTED THE 2.641 TRACT DESCRIBED AS FOLLOWS: ALL THAT TRACT or parcel of land, lying and being in Land Lot 306 of the 7th District, City of Sugar Hill, Gwinnett County, Georgia, and being known as **TRACT 2 - 2.641 ACRES**, according to a plat of survey entitled "Exemption Plat for Franklin Investment Group, L.L.C.," prepared by Planners and Engineers Collaborative, bearing the seal and certification of Jonathan N. Howard, G.R.L.S. No. 3008, dated January 20, 2021, and recorded March 15, 2021, in Plat Book **151**, Page **74**, Records of Gwinnett County, Georgia, said plat being incorporated herein by reference, as being more particularly described as follows:

Beginning at a 1/2 inch rebar found at the Southwesterly end of a miter forming the intersection of the Westerly right-of-way of Sycamore Road (variable right-of-way) with the Northerly right-of-way of Nelson Brogdon Boulevard (Georgia Highway 20) (variable right-of-way); thence along said right-of-way of Nelson Brogdon Boulevard North 88 degrees 05 minutes 14 seconds West, a distance of 349.70 feet to a 1/2 inch rebar found; thence leaving said right-of-way North 05 degrees 19 minutes 43 seconds East, a distance of 150.61 feet to a 1/2 inch open top pipe found; thence North 05 degrees 48 minutes 00 seconds East, a distance of 54.12 feet to a 5/8 inch rebar set; thence North 01 degrees 54 minutes 46 seconds East, a distance of 123.24 feet to a 5/8 inch rebar set; thence South 88 degrees 05 minutes 14 seconds East, a distance of 343.10 feet to a 5/8 inch rebar set on the Westerly right-of-way of Sycamore Road; thence along said right-of-way South 01 degrees 10 minutes 30 seconds West, a distance of 36.80 feet to a point; thence South 04 degrees 35 minutes 51 seconds West, a distance of 55.22 feet to a point; thence South 03 degrees 35 minutes 10 seconds West, a distance of 69.42 feet to a point; thence South 15 degrees 55 minutes 44 seconds East, a distance of 6.66 feet to a concrete monument found; thence along a curve to the left, said curve having an arc length of 108.45 feet with a radius of 680.00 feet, being subtended by a chord bearing of South 11 degrees 02 minutes 39 seconds East, a distance of 108.33 feet to a concrete monument found; thence South 14 degrees 41 minutes 34 seconds East, a distance of 11.18 feet to a concrete monument found at the Northeasterly end of a miter forming the intersection of the Westerly right-of-way of Sycamore Road (variable right-of-way) with the Northerly right-of-way of Nelson Brogdon Boulevard (Georgia Highway 20) (variable right-of-

way); thence along said miter South 37 degrees 41 minutes 30 seconds West, a distance of 53.76 feet to a 1/2 inch rebar found, said point being the True Point of Beginning.

Said having an area of 8.153 acres (10.794 less 2.641) acres more or less.

‘SYCAMORE SQUARE’ – APPLICATION FOR CHANGE IN CONDITIONS LETTER OF INTENT

We respectfully request a change in conditions for the ‘Sycamore Square’ master development: the removal of the 55+ age restriction. This would enable us to immediately move forward with a national homebuilder to implement an evolved concept for the Residential component. The new concept would lower density from the currently approved 120 units for sale to 50 units (41 townhomes, 9 zero lot line homes) while maintaining the original overall intent to create a walkable community within Sugar Hill’s CBD.

Our original development timeline had been impacted by changing market conditions due to Covid and by Lidl’s own growing pain in their U.S. expansion plans. We’ve gone above and beyond to accommodate Lidl under these challenging circumstances. And while Lidl continues to reinforce their commitment to their future Sugar Hill store, we believe we too must adapt to the new conditions and move forward focusing on our other components.

We have an immediate opportunity to collaborate with a national homebuilder – Century Communities – to develop the Residential component of Sycamore Square. Century’s plan is to sell rear-loaded townhomes and zero lot line homes starting at the low \$500k price point. As such, Sycamore Square will continue to be about attracting primarily ‘younger active adults’ who will likely have the appropriate resources, appreciate the Sugar Hill CBD lifestyle, and own an interest in the longer-term development of the local community.

The evolved concept design plan has differentiating features from the currently approved design:

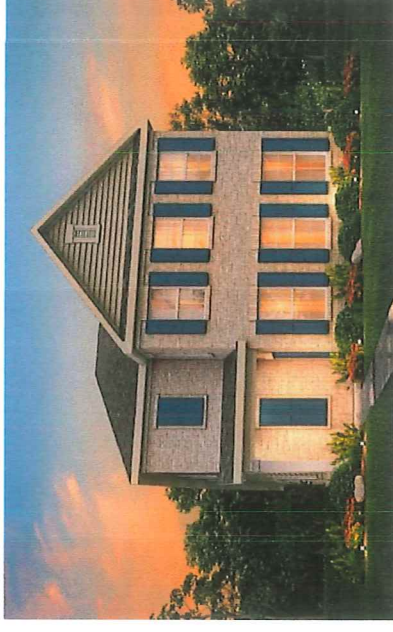

- Lower density – from number of sales units being 120 down to 50
- Lower vertical profile – from having four 4-story buildings (two of which are on a raised platform same level as commercial/retail component) down to 3-story townhomes & 2-story zero lot line homes (all grounded at lower topographical level than the commercial/retail component)
- Improved transitional commercial-to-residential, decreasing-urbanized ‘feel’ – townhomes along the commercial border diffusing out to zero lot line homes on the Sycamore Road border

We believe the evolved concept and new design plan for the Residential component are appropriate adaptations to today’s environment. The removal of the 55+ age restriction allows us to take the next big step with Sycamore Square’s development. We appreciate your support in our continuing effort to build a vibrant community within and for the City of Sugar Hill.

REZONING APPLICANT'S RESPONSE

STANDARDS GOVERNING THE EXERCISE OF THE ZONING POWER

Please respond to the following standards in the space provided or use and attachment as necessary:

A. Whether the proposed Rezoning or Special Use Permit will permit a use that is suitable in view of the use and development of adjacent and nearby property:

Use as residential is already approved under Sycamore Square master development. We are requesting a change in condition (removal of 55+ age restriction) to move forward under a use that's even more suitable in today's environment.

B. Whether the proposed Rezoning or Special Use Permit will adversely affect the existing use or usability of adjacent or nearby property:

No adverse effect. Moving forward with the Residential component will help the current and subsequent development of the commercial/retail portion of the master plan and the surrounding area.

C. Whether the property to be affected by a proposed Rezoning or Special Use Permit has reasonable economic use as currently zoned:

Current approved use is as Residential component of mixed-use development (Sycamore Square). The use is reasonable and appropriate and will maintain goal of attracting younger active adults hoping to buy home in Sugar Hill.

D. Whether the proposed Rezoning or Special Use Permit will result in a use which will or could cause an excessive or burdensome use of existing streets, transportation facilities, utilities, or schools:

The change in condition, evolved concept and new design plan would lower density from the currently approved 120 units to 50 units lessening the burden.

E. Whether the proposed Rezoning or Special Use Permit is in conformity with the policy and interest of the Land Use Plan:

The proposed Change in conditions remain in conformity.

F. Whether there are other existing or changing conditions affecting the use and development of the property which give supporting grounds for either approval or disapproval of the proposed Rezoning or Special Use Permit:

Immediate approval of change in condition and our immediate collaboration with national homebuilder will allow Sycamore Square master development to move forward.

Date: 3/10/2025

Applicant: Sinh Bui

Case No.: _____

Email: sbui04@gmail.com

Development Name: Sycamore Square

Location: 5260 Old Cumming Rd, Buford 30518

DISTRICT: 7 LANDLOT: 306 PARCEL: 051

WATER AVAILABILITY:

The available utility records show that the subject development is currently in the vicinity of a 12" inch water main located on the North right-of-way of Nelson Brogdon BLVD

Demands imposed by the proposed development may require upsizing or extensions of existing water mains in order to meet Gwinnett County Standards and fire flow demands. Any cost associated with such required improvements will be the responsibility of the development and will not be provided by this department. Current Gwinnett County Standards require a minimum of 12" pipe size for commercial developments and a minimum of 8" pipe size for residential developments, including connections to existing mains. This department makes no guarantees as to the minimum pressures or volumes available at a specific point within its system. It is the responsibility of the developer's engineer to confirm pressure and volumes are available for the development.

SANITARY SEWER AVAILABILITY:

The available utility records show that the subject development is currently in the vicinity of a 8" inch sanitary sewer main located To the southeast of the parcel.

Proposed Development Utility Letter

Sewer Availability continued

The subject development is located within the Level Creek Service area. This does not guarantee there is sewer capacity to serve this development. A Sewer Capacity Certification must be obtained from Gwinnett County to confirm the existing system can serve the development.

Demands imposed by the proposed development may require upsizing and/or extensions of existing sewer mains, and/or upsizing of an existing pump station, and/or installation of a new pump station. Any cost associated with such required improvements will be the responsibility of the development and will not be provided by this department. The developer shall provide easements for future sewer connection to all locations designated by Gwinnett County during plan review.

Water, Sewer, and Stormwater Requirements

Extensions of the water and/or sanitary sewer systems within the subject development must conform to this department's policies, Gwinnett County's ordinances, and the Water Main and Sanitary Sewer Design and Construction Standards and Specifications, dated April 5th, 2016. Subsequent to design, construction, inspection, and final acceptance of the required utilities, service would then become available under the applicable utility permit rate schedules.

Stormwater facilities must comply with the current Gwinnett County codes and ordinances.

Private Road Developments

Any development with private roads must comply with the Standard Policy Requirement for the Installation of Water and Sanitary Sewer Mains within Private Developments. This policy stipulates minimum easement requirements and location of public mains and appurtenances, among other requirements.

Master Water Meter

Master water meters are only allowed under certain conditions to be approved by Gwinnett County. If there are multiple owners within one property, master meters will not be allowed. Individual water meters must be placed off of county-maintained water mains.

NOTE: As-built information for this department is dependent upon outside entities to provide record drawings for the utilities. Therefore, this department does not guarantee the accuracy of the information provided.

Respectfully,

Derek Schmidt

CONCEPT PLAN NOTES

- THIS CONCEPT WAS PREPARED STRICTLY AND SOLELY BASED UPON INFORMATION IDENTIFIED IN THE PLAN REFERENCES.
- THE CONCEPT REPRESENTED HEREIN IDENTIFIES A DESIGN CONCEPT RESULTING SOLELY FROM LAYOUT PREFERENCES AND GUIDANCE DICTATED AND IDENTIFIED SOLELY BY THE CLIENT. THE FEASIBILITY WITH RESPECT TO OBTAINING LOCAL, COUNTY, STATE, AND OTHER APPLICABLE APPROVALS IS NOT GUARANTEED, AND CAN ONLY BE ASSESSED AFTER FURTHER EXAMINATION AND VERIFICATION OF APPLICABLE REQUIREMENTS AND THE PROCUREMENT OF ALL NECESSARY JURISDICTIONAL APPROVALS.
- THIS CONCEPTUAL PLAN IS PREPARED FOR CONCEPTUAL PRESENTATION PURPOSES ONLY, AND IS NOT INTENDED TO AND SHOULD NOT BE UTILIZED AS A ZONING AND CONSTRUCTION DOCUMENT.
- THE EXISTING CONDITIONS SHOWN HEREON ARE BASED UPON INFORMATION THAT WAS SUPPLIED TO THE ENGINEER BY THE OWNER AND OTHERS NOT UNDER ENGINEER'S CONTROL. AT THE TIME OF PLAN PREPARATION AND MAY BE SUBJECT TO CHANGE UPON PERFORMANCE OF ADDITIONAL DUE DILIGENCE AND/OR FIELD SURVEY.
- IT IS STRONGLY RECOMMENDED THAT A ZONING CONFORMANCE ANALYSIS BE PERFORMED TO DETERMINE AND EVALUATE IF THERE ARE ANY RESTRICTIONS AND/OR ZONING ISSUES, CONCERNS OR RESTRICTIONS THAT MAY OR COULD IMPACT THE FEASIBILITY OF THIS PROJECT AS THE OWNER HAS DESCRIBED IT.
