## *FEMA Grant Awarded to Sugar Hill for Emergency Warning System*

The City is pleased to announce that we have received a FEMA grant to install six warning sirens throughout the City. These will warn of severe weather such as we've seen and experienced these past few months. The sirens are connected the National Weather Service by satellite and programmed to respond to their input. We will install the sirens to blanket our City and especially our schools. We'll be conducting town meetings to explain the system and how it will activate and warn our citizens this summer. (photo - L-R) Valencia Miller (GEMA) Bob Hail (City Manager) Shana Slay (GEMA)

**News Bites:**

- Starting in June, Plaza Security will enforce City Code violations throughout the City and to issue parking citations for illegal parking at our City parks. Due to the popularity of our parks, vehicle parking has become an issue, especially on weekends. Please park in the Level Creek lot at EE Robinson Park and in the Gary Pirkle Park upper lot on Suwanee Dam Rd., or in the cleared lot across from the main entrance at GPP.
- **“Reels at Robinson”** presents **“How to Train Your Dragon”** the evening of June 17th, it is rated PG and is family friendly. All the movies start at dusk in the amphitheater at E. E. Robinson Park and are FREE to attend.
- The City will resume annual mosquito spraying throughout June. Sugar Hill is one of a few cities that proactively controls mosquito breeding grounds as a free service to our residents. The spray becomes inert when exposed to water or sunlight so the spraying is done in the evening when mosquitoes are active. The first round will start June 13th - 17th, north of Hwy 20 and continue June 20th - 24th, south of Hwy 20. The second round starts July 11-15th, north of Hwy 20 and continues July 18-22nd, south of Hwy 20.
- During the spring growing season it’s important to clear brush and weeds from your gas meter so that our employees are able to read and access the meters to report accurate information for your billing cycle.
- A proclamation was read by the Mayor and the City Council concurred, that i9 Sports has done an outstanding job creating youth sports programs at our City parks. The i9 motto is “Helping Kids Succeed in Life through Sports” With approximately 800 players in four sports leagues they have been an integral part to the success of Sugar Hill being “The Recreation City”.
- A store ledger identified as Sugar Hill that dated from July 17, 1838 has been generously donated to the City for our archives. Joe Hamilton, in memory of his late parents Lewis and Doris Hamilton, surrendered the ledger to the Mayor and City Council during a ceremony that honored Mr. Hamilton for his gift. A proclamation was read by State Senator Butch Miller that honored Mr. Lewis Hamilton for his contributions to the State of Georgia.
- We are still accepting applications for the World Changers Youth Mission Project. They will be here July 25 - 30th to work on resident homes. They have been funded by the Sugar Hill Housing Authority again this year to build handicap ramps, paint homes, rebuild roofs, and replace rotted siding. If you know of any home owners that are in need of help, have them check our web site, come to City Hall or contact Don Kelemen at 770-945-6716
