

Gary Pirkle Park Groundbreaking

Mayor Gary Pirkle and the Sugar Hill City Council held a groundbreaking ceremony to start phase one of construction of what will become a 55 acre recreational facility for the citizens of Sugar Hill. The park when completed will feature soccer fields, tennis courts, a putt-putt golf course, a snack bar/ clubhouse with a tennis pro-shop, and 2 miles of walking trails with several bridges over existing streams including a covered bridge. Precision Planning Inc. created the engineering and construction

plans, and a Sugar Hill general contractor, Charles Pruitt, has started grading the property. Completion of the park is slated for spring of 2009. The park is located on Austin Garner road and Suwanee Dam Road in western Sugar Hill.
