- 08-10-16-Officer made routine patrols of both residential and business properties. This also included, but was not limited to the P.O.A.P.'s. While on patrol in the area behind the businesses in The Sugar Hill Station shopping center in a 'blacked out mode' the Officer observed a subject in the dumpster behind the Value Village. The Officer activated his high beam headlights in order to illuminate the subject and disorient the subject. Upon contact with the subject the Officer recognized him from the previous week and in the same location and doing the same things. The Officer obtained the subjects identification and went back to his patrol car and contacted GCPD. This was done because the Officer had received information that the subject was possibly wanted on a Child Support Warrant. After a few minutes two GCPD Units arrived ran the subject on GCIC and NCIC for wants and warrants. The subject returned not wanted and was issued a Criminal Trespass warning by GCPD and was advised by the GCPD Officers if he was caught again that he would be arrested. The subject acknowledged that he understood and left without incident. No other incidents or issues were observed by or reported to security personnel.

The Officer then returned to service. No other issues or incidents were observed by or reported to security personnel.
