- The following actions are specific significant actions taken during normal patrols throughout the City. Plaza Security patrols the City on a daily basis and any criminal act is forwarded immediately to the Gwinnett County Police Department. Security officers request any illegal activity be reported to them and also be reported to Gwinnett County Police Dept. Plaza Security acts as additional eyes and ears for the City and provides assistance when needed; however, they are not a police agency.
- 03-17-17- The Officer made routine patrols in various parts of the city, including the business and residential properties and not neglecting the various P.O.A.P.'s. While on patrol in the Brogdon Business Park in the area of 380 Brogdon Road, the Officer observed a FedEx drop box with the door open, the drop box in question did not appear to have been forcibly entered. The Officer contacted a representative of FedEx, but due to a language barrier was unable to get assistance. Fearing that someone would inadvertently use the un-secured drop box the Officer figured a way to secure the drop box and returned to patrol. Later while patrolling the Gary Pirkle Park parking lot, near the Suwanee Dam Road area, the Officer Observed a gray Chevy Silverado 4 door pickup truck with the rear driver side door open. The Officer checked to see if anyone was in the vehicle. After finding no one in the vehicle, the Officer walked down to the Soccer field and asked if anyone owned a vehicle that he described. When no one either understood due to a language barrier, or did not hear the announcement, the Officer shut the door. Later in the Officer's tour of duty he observed a suspicious person and vehicle in the unlit area of the rear of Sugar Hill Station. The exact location was behind the Value Village. The Officer illuminated the subject with the high beams of his patrol car. The Officer then exited his vehicle and inquired as to what the subject was doing. She replied that she was dropping off items for the Value Village. The Officer advised that the drop off location was in the front of the store not the rear. The Subject then left the area without incident. While Checking the area around Rite Aid, the Officer observed a suspicious subject standing by a vehicle in the darkened side of the store. The time of observance was 22:34; this is 34 minutes after the store had closed. The Officer approached and inquired what the Subject was doing. The Subject replied that he was just smoking a cigarette. The Officer advised him to have a good night and returned to patrolling. No other incidents were observed by or reported to Plaza Security LLC personnel.
