Plaza Security patrols the City on a daily basis and any criminal act is forwarded immediately to the Gwinnett County Police Department. Plaza Security acts as additional eyes and ears for the City and provides assistance when needed; however, they are not a police agency.

- 02-01-18- The Officer made routine patrols of both business and residential properties to check for illegal activities. These checks included but were not limited to P.O.A.P.'s. While on patrol at 0130 the Officer observed two subjects behind the Value Village in the Sugar Hill Station, rummaging through the dumpster. The Officer activated his high beam headlamps and inquired what they were doing. At first the female subject stated that she had permission from the Value Village Management authorizing their access to the contents of the dumpster. When the Officer requested to see signed documentation as to this authorization, the couple was unable to produce any. The Officer then advised that they were committing Trespass and to return all items back into the dumpster. The female then advised that she was covered by Federal law permitting her access into the dumpster. The Officer then requested the Federal Code Section or Statute authorizing them the right to commit trespass. Again the subjects were unable to produce any said documents. When advised that GCPD allowed them to carry on their activities the Officer responded that maybe they needed to stay out of Sugar Hill dumpsters and concentrate on the ones in the County. The subjects cleaned up the refuse and left without further incident or discussion. There were no other incidents observed by or reported to Plaza Security, L.L.C. personnel.
