Plaza Security acts as additional eyes and ears for the City and provides assistance when needed; however, they are not a police agency.

The Officer while trying to secure the Pirkle Park parking lot off of Austin Gardner Rd. observed an abandoned Audi A-4 was still parked where he had observed it the previous shift. This prohibited him from securing both gates. During these patrols no other incidents or nefarious activities were reported to or observed by the Officer.
- 07-26-18- The Officer made routine patrols of both business and residential properties to check for illegal activities. During a follow up in reference to an abandoned vehicle at Pirkle Park the Officer observed it was still on site. The Officer contacted GCPD Dispatch and relayed the vehicle's description and tag number. He advised Dispatch that he was aware under GCIC Rules that no information could be relayed since he was not a Law Enforcement Representative. The Officer advised if the vehicle returned stolen then he would wait and meet with a GCPD Officer. The Dispatcher advised it was not returning stolen so the Plaza Officer cancelled the GCPD Officer and advised he would tag the vehicle and if it remained on property would have it towed on Tuesday 08/01/2018. These checks included but were not limited to P.O.A.P.'s. There were no other incidents observed by or reported to Plaza Security, L.L.C. personnel.
