

The City of Sugar Hill
Plaza Security Patrol Actions
Dec.19th, 2018 – Dec.25th, 2018

- The following actions are specific significant actions taken during normal patrols throughout the City. Plaza Security patrols the City on a daily basis and any criminal act is forwarded immediately to the Gwinnett County Police Department. Plaza Security acts as additional eyes and ears for the City and provides assistance when needed; however, they are not a police agency.

- 12-20-18- The Plaza Patrol Officer made several patrols of both residential and business properties to include P.O.A.P.'s in search of nefarious or illegal activities. At 2340 hrs. , the Officer stopped at the RaceTrac. As he exited his car he observed a black male sitting at the counter facing the gas pumps. When the subject saw the Officer he motioned the Officer to come in to his location. The Officer entered the store and walked over to where the subject was sitting. The Officer inquired if he could help the subject. At this point the subject began rambling about how he had walked from Lawrenceville to Sugar Hill. Note: It had been raining heavily and the subject was not wet. He advised that he needed to get his car! At the time of the Officer's visit to the RaceTrac there was a crew pressure washing the parking lot. The Officer believing that the subject's car was not able to move from the pumps due to possibly damaging the high pressure hoses advised the subject that it appeared they were about finished. The subject then started speaking what sounded like French and incoherently. At about that time the Officer observed a GCPD Officer walk into the store alone. The GCPD Officer walked up to the checkout counter and began speaking to the employees. Unbeknownst to the Plaza Officer the employees had already called GCPD. The Plaza Officer walked over to the GCPD Officer and advised him as to what had transpired while he had been there. Both Officers walked over to the subject, who by now was talking to the air. The Plaza Officer advised that due to the obvious unstable mental condition of the subject and since he was alone that he would stick around and assist if matters deteriorated prior to the GCPD Officer's back up arriving. The GCPD Officer spoke to the subject in a low tone voice and then asked if the subject would step out of the store. Once outside the Plaza Officer observed a second and then third Units arrive. Not wanting to get in the way the Plaza Officer backed off. At this point he observed the subject being handcuffed and placed into one of the GCPD Units. And was transported to the Gwinnett County Detention Center. All GCPD Officers were gone and no charge information was obtained. No other issues were observed by or reported to the Officer and he concluded his shift and departed.
