- 01-25-19-The Officer made routine patrols of both residential and businesses properties, this including the P.O.A.P.s. At 2135 the Officer received a call from Meagan Carnell, an employee with the City of Sugar Hill in reference to a group of subjects of whom had been removed from the Eagle Theater due to excessive intoxication and causing a disturbance. Ms. Carnell requested and area check and escort for one of her employees still at the theater. The Officer went to the theater and spoke with the employee who stated that the subjects had left and that the play would not be over until 2230 hrs. The Officer advised he would do an extensive area check and that possibly that GCPD needed to be advised. Prior to leaving the theater, the Officer advised the subject of the direct phone number to the patrol so should a similar incident occur in the future that she could call while the suspects are on scene instead of calling Ms. Carnell first? Prior to arrival at the theater, the Officer checked the area and upon leaving the theater made a second area check with negative results No other incidents or issues were reported to /or observed by the Officer.
- 01-26-19-The Officer made patrols of the residential and commercial properties including the P.O.A.P.'s. The Officer was not advised of any incidents or issues during his tour of duty.
- 01-27-19- The Officer made numerous checks of the business and residential properties, including the P.O.A.P.s. While patrolling downtown, the Officer observed a group of (4) subjects walking down the sidewalk in the direction of Sugar Hill City Hall , just in front of the Eagle Theater ,(2) of which were carrying skateboards. The Officer then positioned himself so he had a clear view of the upper deck at Sugar Hill City Hall. After a few minutes he observed (2) subjects skateboarding on the upper parking deck. The Officer immediately drove over to the parking deck to make contact. As he arrived he was unable, initially to locate the subjects. The Officer then went to the driveway between City Hall and the Eagle Theater where he made contact with the Juveniles. He advised them that skateboarding was not permitted on City property, and advised them to go to a skateboard park. The subjects picked up their skateboards and departed without incident. Approximately 10 minutes later the Officer encountered the original group that he had observed on the sidewalk carrying their skateboards. The encounter occurred on his last patrol of the lower parking decks by City Hall and under the Eagle Theater. At the time that the Officer observed the subjects they were about to start skateboarding. The Officer made contact and advised the group that they were not allowed to skateboard on City property and needed to leave. They followed the Officer's request and left without incident. As it turned out it was (2) separate groups of subjects. The Officer did not observe any other irregularities or incidents and none were reported to him.
