- 08-07-19- The Officer made numerous checks of both residential and business properties in an attempt to deter crime. After completing his pre tour vehicle inspections the Officer heard a subject shout. Believing that the subject was just expressing concern about the driver's speed he thought nothing of it. The Officer then drove up to where the subjects were standing. The Officer also noticed that there was a shrub in the middle of the Community Center driveway and a tire and rim to the right of the driveway. These items were not present when he had arrived earlier in the shift. The Officer then spoke to the 2 subjects standing by a Grey KIA Soul. The male subject stated that a large Ford pickup truck pulling a large black trailer had a wheel come off of the trailer and strike his parked vehicle in the driver's and that the wheel was located behind his vehicle. He went on to state that no one was injured and the Officer provided the non-emergency number for GCPD. After making contact with GCPD dispatch the Officer gave him the physical address of the Sugar Hill Community Center. After a short time a GCPD patrol Unit arrived and the Officer took pictures and wrote a report. He also received a case number and gave it to the Victim and the Plaza Officer, of whom also had taken pictures and wrote a report. After completion of the incident details all units went back in service. During the Officer's tour of duty no other incidents or issues were notated or reported to the Officer or the on duty Supervisor.
