- 02-20-20- The Officer made sporadic checks of the business and residential properties, including the P.O.A.P.s Spending most of the time in and around the E-center. While the Officer was beginning his patrol of the E-center, he observed water coming from the ceiling in the area of the entrance of the E-center. Upon reaching the first floor he was advised the E-center Attendant, Sonja that the restroom had overflowed. The Officer inquired if Joe Sokenis, City of Sugar Hill Maintenance Supervisor, had been call and advised of the situation? The Attendant advised no and the Officer realizing that she had her hands full advised he would make the call. - 02-21-20- The Officer made routine patrols of the residential and business properties of which included the P.O.A.P.s., with a high emphasis on the E-center complex. After clocking out at 22:00 hours the Officer observed a subject walking along the perimeter of the Bowl as if he was trying to find a point to gain access to the Bowl. As the subject was about to jump the fence the Officer ordered him to halt. The Officer then inquired as to what he thought he was doing? The subject advised he was trying to locate his friend. The Officer advised him that his friend would not be inside the area of the Bowl due to it being fenced off. At about that time the Officer shined his flashlight in the area of the letters spelling the word BOWL and illuminated several subjects. The Officer advised all of the subjects to vacate the area due to the fact all were juveniles and all the facilities were either closed or under construction. The Officer recognized the subjects as juveniles from previous encounters and no names or photos were obtained. The subjects left after uttering some un-pleasantries directed towards the Officer. No other issues were reported the Officer or the Shift Supervisor.
- 02-22-20- The Officer made checks of both residential and business properties in an attempt to deter crime. Primary patrol was around and in the E-center. At 14:30 hours the Officer observed a subject riding his bicycle through the Sugar Hill City Hall parking lot, onto the bridge connecting the Sugar Hill City Hall parking lot to the common area between the Eagle Theater and E-center complex. The Officer shouted at the subject not to be riding his bicycle on City property. The Officer then realized that the bicyclist had ear buds in his ears this possibly prevented the subject from hearing the Officer's commands. The Officer advised 3 other subjects walking, and apparently with the bicyclist to relay a message that he could not ride his bicycle on City property. About 2 hours later while completing an escort in the E-center, the Officer observed the same 4 subjects in and opening in the exterior wall of the E-center parking area. One was standing in the window and the other 3 were sitting or lounging in the window. The Officer walked over and instructed the subjects that they were not permitted to occupy the window areas and to move on. The Officer recognizing the bicyclist asked if his friend had relayed the Officer's, message about it

being against City Policy for him or anyone else to ride their bicycles or skateboards on City property. The subjects advised that they understood and left without incident. At approximately 17:00 hours the Officer observed an entirely different group riding down the driveway from West Broad St. between City Hall and the Eagle Theater. The Officer advised them that they were not allowed to ride their skateboards on Sugar Hill City property. They got off and walked up the stairs to the common area between the Eagle Theater and E-center complex. Approximately 45 minutes later during shift change the Day Watch Officer observed the subjects skateboarding on the common area. The Day Watch Officer advised the Evening Watch Officer to run the subjects off. That Officer did so without incident. During the Officer's tour of duty no other incidents or issues were notated or reported to the Officer or the on duty Supervisor.
