(2) Illegal Parking behind the Sugar Hill Station Shopping Center. The Officer conducting a follow up area check located the same red tractor and trailer behind the Shopping Center. The vehicle was parked by the No Parking signage. The Officer tried to make contact but was unsuccessful. He did leave a business card advising the owner that his vehicle was in violation being parked overnight and was subject to being impounded by the Property Owner and at the vehicle owner's expense.
- (3) Dumpster Divers while concluding the illegal parking investigation the Officer observed a vehicle parked by the dumpster behind Value Village. The Officer drove to the location and asked the woman rummaging through the Dumpster contents what she was doing. The Officer then advised the woman that she was trespassing and needed to stop what she was doing and replaced the refuse outside of the dumpster back in it. The woman complied and left without incident. Due to the conflicting message expressed by a cardboard sign on the dumpster essentially giving a vague sense of authority no Criminal Trespass Warning was issued.
