Due to the late hour the Supervisor advised the Officer to generate an incident report and not to contact Mr. Schick. Upon meeting with Mr. Schick in the area of the vehicle the Officer advised Mr. Schick that the vehicle in question was one that he had reported a week prior, only that time it was located at the E-center. The Officer advised that GCPD had checked and advised that the vehicle had not been reported stolen. Due to GCIC restraints this is the limit that they can disseminate to non-Law Enforcement individuals.
