INCIDENT: DISABLED VEHICLE – Officer patrolling the Ecenter parking lot area reported that a motorist reported to him that his vehicle was broken down in the parking deck and requested it please not be towed as he would be getting it the following day on 12-07-20. (The vehicle is a blue colored Nissan Sentra Ga tag CNL8472) reason for the vehicle being broken down in the Ecenter parking desk was not disclosed.

INCIDENT: ALARM RESPONSE – Officer on duty at the E-Center reported the alarm in the garage going off at 12:56PM. The Patrol Officer Sgt Parrish was called over to investigate and to assist in handle the situation. The Officer spoke with Tim Schick, SH Facilities via cell phone who informed them that this was the Carbon Monoxide (CO) sensor going off in the E-center parking deck. Mr Schick stated that a running vehicle must be backed-up to a sensor which tripped the alarm. By the time further action was taken to silence the alarm the vehicle that had caused the issue left resulting in the alarm shutting off on its own which out further need of management to act on the matter. No further issues with the (CO) alarm was noted after the incident.
