ABOUT: We dance and teach authentic Argentine Tango the way it is danced nightly all over the world. In tango there are no age, economic or race barriers. music of tango is passionate and representative of many flavors, tempos, energies, and emotions, all moving us to dance in harmony with another. It asks us to get out of our heads and into our hearts. If you embrace tango, tango will embrace you.

ADDITIONAL: (PROS) Tango invigorates your body, rejuvenates your soul and improves coordination and is therapeutic. Tango makes us feel connected to community.
